

# M40 Preston Reservoir to Merri Creek Water Main Renewal Project

## CHANGES TO PEDESTRIAN & CYCLIST CROSSINGS

### Gadd Street to Hutton Street

Over the next three months there will be frequent changes to pedestrian crossings between Hutton Street and Gadd Street on St Georges Road.

Changes to pathways for pedestrians and cyclists travelling east/west over St Georges Road will commence Friday May 5.

Hutton Street, Gadd Street and Normanby Avenue will be key crossing points over St Georges Road. Exclusions will occur when road closures are in place to lay pipe across these main intersections.

- Normanby Avenue will be closed from Friday 12 May to Wednesday 17 May. A temporary pedestrian crossing will be provided near Shaftsbury Parade during this closure.
- Hutton Street will be closed as we lay pipe in the vicinity of the intersection. We expect this to occur in July.

Please follow signage onsite to be directed to the nearest crossing location. These closures are for the safety of pedestrians, cyclists and our workers.

Where we can, we will endeavour to open crossings.

### Keeping you informed

We are committed to keeping you informed about this project and our activities. For regular updates please check your letterbox, visit our webpage or register for our online updates.
